

# BioTrinity 2021

**Start Date: 6/21/2021 8:30 AM**

**End Date: 6/21/2021 5:30 PM**

BioTrinity is a highly regarded two-day life sciences conference taking place in Central London from 27-28 April . The core mission of BioTrinity is to inspire growth and create opportunities for all who attend, with the delegate mix including early-stage and emerging biotech, medtech and digital health companies, big pharma executives and life sciences investors.
